

COMPACT & CONVENIENT

MY530B

WALK-BEHIND POWER SCRUBBER

The advanced design allows the Conquest My530B to be operated in tight and congested areas while maintaining the higher productivity levels of the larger models.

The Conquest My530B has one scrubbing brush or pad that gives an optimum finish and also allows for maximum pressure to be applied cleaning the most stubborn dirt and stains.

With its V-shaped squeegee this scrubbing machine is able to produce the ultimate dry floor limits any damage to squeegee. The ultra-smooth plastic finish on tanks allows for easy, hygienic cleaning of machine inside and out.
