

5X FASTER THAN A BROOM

TORNADO

WALK-BEHIND POWER SWEEPER

Tornado walk-behind floor sweeper will change the way you sweep.

With dual front brooms and a 920mm sweeping path and weighing in at just 30kg, it is lightweight and delivers a spotless clean with minimal effort.

Specifically tasked with sweeping dust and debris from smaller floor spaces such as footpaths and warehouse corridors, Tornado combines efficiency with ease of operation and customisable features to be the lightweight industrial cleaning equipment you've been looking for.
