

Foam Breaker

DESCRIPTION & BENEFITS

Foam Breaker is milky white liquid, has no odour. It is safe to use in all recovery tanks and hoses, from household wet and dry vacuums to commercial carpet and auto scrubbing machines. **Foam Breaker** is formulated to cling to the inside of hoses and tanks to prevent the build up of foam. Economical to use, saves time rinsing machines, no excess foam to worry about. Silicone based defoamer specially formulated to cover extraction tank from foaming, breaks foam in seconds. Also available in 1 Litre.

- ✓ Instant working
- ✓ One application lasts hours
- ✓ Reduces time flushing foam out of machines

DIRECTIONS FOR USE

PRODUCT USE	DILUTION RATIO	APPLICATION
Light Foam	50 : 50 Parts Water	Spray product into hose ends and on the inside surface of recovery tank, repeat process when you empty the machine.
Heavy Foam	Use undiluted	Spray product neat into the recovery tank, for floor traps add 50 mLs per trap. Add 50mL undiluted to automatic scrubbing machine recovery tank if heavy foam is present.

Code No 422

ENVIROMENTAL ASPECTS

- ✓ PF- Phosphate Free
- ✓ Non - flammable
