AUTO HD

HEAVY DUTY VEHICLE & EQUIPMENT DEGREASER

DESCRIPTION / APPLICATION

AUTO HD is an orange/pink heavy duty water based degreaser based on a blend of detergents, speciality solvents and corrosion inhibitors.

AUTO HD was developed specifically to clean and degrease engine components as well as other hard surfaces such as floors and walls. It is also suitable for the cleaning of taut liners on trucks as well as mag wheels of all types.

AUTO HD contains a speciality blend of citrus solvents to effectively degrease all surfaces while imparting a fresh orange fragrance during the cleaning process.

AUTO HD contains a blend of corrosion inhibitors to ensure absolute safety on all metal surfaces, these include mild steel cast, aluminium and galvanised surfaces.

BENEFITS

- Safe on all surfaces
- Cleans & degreases all types of surfaces
- Contains corrosion inhibitors
- Quick break detergent
- Contains a blend of citrus solvents
- No unpleasant solvent fumes
- Reduces the number of cleaning products
- Environmentally acceptable for triple Interceptors
- User friendly to the operator

DIRECTIONS FOR USE

AUTO HD can be applied by spray, sponge or brush. Dosage rates will be dependent on degree of soiling.

Medium Soils - Dilute 1:3 (Degreasing)

Light Soils - Dilute 1:10 to 1:50 with water.

Remove with a high pressure water rinse.

HEALTH & SAFETY INFORMATION

See separate Safety Data Sheet available on request.
