## Product Information / Wallchart

# AUTO WASH **A1**

## CAR, TRUCK & EQUIPMENT WASH

### DESCRIPTION / APPLICATION

AUTO WASH is a highly concentrated opaque green liquid detergent based on a blend of mild surfactants, soil suspending agents and corrosion inhibitors. It is safe on all metals and painted surfaces and is extremely free rinsing and streak free even if allowed to dry on the surface.

AUTO WASH has been formulated for the removal of a wide variety of soils from both heavy and light plant and equipment which includes trucks, buses, cars and also building exteriors. Soils would include grease, oil, carbon and mud.

### BENEFITS

- Safe on all surfaces.
- Free rinsing - will not streak.
- Highly concentrated providing economy in use
- Suitable for use in soft or hard water.
- Can be applied through a foaming unit.
- Mild detergent ensures operator safety.
- Quickly removes all dirt and road grime, which assists with down time.

### DIRECTIONS FOR USE

#### Manual:

Cleaning Dilute 1 : 80 in a bucket for vehicles and equipment cleaning, apply by mop or sponge then rinse off with clean water. Dilute to 1:20 for heavy duty cleaning. Rinse thoroughly with water

#### High / Low Pressure Sprayer:

Use at a concentration of 1 : 80 (dilution rate will be dependant on the degree of soiling) then rinse off with clean water.

### Low Volume Foaming:

Adjust unit to produce a concentration of 1 in 50 through foaming wand. Allow 10-15 minutes dwell time then rinse off with clean water.

### HEALTH & SAFETY INFORMATION

See separate Safety Data Sheet available on request.
