

AS530R

Ride on for faster cleaning

First small ride-on scrubber dryer designed for large areas

Reliable, simple and powerful

PART OF THE NILFISK GROUP

Large opening to the 73 litre recovery tank allows easy cleaning

Water solution level indicator with volume visible on the tank

An integrated on-board charger enables easy plug-in and battery charge at any outlet

AS530R

Safety in every situation

With an emergency stop button and an under-seat switch

An ideal choice for cleaning in hotels, bus and train stations, supermarkets, exhibition centres, shopping malls, schools and other public areas.

The AS530R is the first small ride-on scrubber dryer in the user-friendly Viper series, known for providing high cleaning efficiency at attractive prices. With battery and tank capacity to clean for hours, this machine is ready to take on areas of more than 5,000 m².

Using the machine provides the same level of comfort as the larger ride-on scrubber dryer: The intuitive display with all major functions and the battery status makes it easy to control, together with the large buttons, and the clear view of the water/detergent level indicator.

The big steering wheel ensures that the AS530R is easy to manoeuvre with minimum effort, while safety is enhanced by the automatic braking system which is engaged when the pedal is released. Another feature of the AS530R is that the squeegee can be placed on the hanger behind the main body when the machine is driving through narrow passages.

Good access to the tanks ensures emptying, refilling and cleaning of the AS530R is quick and easy. Service and maintenance are also convenient, with direct access to dismounting or mounting of the driving motor if needed. The AS530R is easy to use and offers fast, effective cleaning at a very competitive price.

- Productivity: Working width 53 cm, Squeegee width 73 cm
- Versatility: Cleans tiled floors, vinyl, sealed wood, marble, concrete and other surfaces
- Efficiency: Speed 5.5 km/h, Climb rate 10%
- High performance: Brush pressure 23 kg, Brush speed 160 rpm
- Low sound level: 69 dB(A) enabling daytime cleaning
- Robust design: Front bumper, strong main frame and heavy-duty aluminum squeegee
- User-friendly dashboard: Intuitive display and buttons

Comfortable with a minimum of training

Always in control

Easy and comfortable to use

Ready for in-depth performance on all indoor surfaces

AS530R

Compact and easy to manoeuvre

The AS530R is easy to use and offers fast, effective cleaning at a very competitive price

- Accessories: Brush, Batteries 2 x 12V and onboard charger
- Built-in squeegee hanging system on recovery tank for easy machine transfer in narrow areas

Technical specifications

Description	Unit	AS530R
Item no.		50000379PA
Solution tank	litre	72
Recovery tank	litre	73
Brush/pad diameter	mm	530
Brush/pad pressure	kg	23
Squeegee width	mm	730
Sound pressure level	dB(A)	69+/- 3
Brush speed	rpm	160
Working speed	km/h	5.5
Brush motor	W	450
Vacuum motor power	W	400
Vacuum	MMH20	1223
Drive motor	W	300
Climbing Capacity	%	10
Battery type		AGM 12V 140Ah(20hours) x 2
Battery compartment size (LxWxH)	mm	350x380x300
Net weight (empty tanks, with batteries)	kg	140
Max loading weight	kg	245
Length x Width x Height	mm	1360x580x1120

Standard accessories

Brush kit	VR25014
Squeegee blade front	VF90103
Squeegee blade rear	VF90104
Kit charger	VR21053
Warning Beacon Kit	VR17160
Squeegee assembly	VR26000

Optional accessories

Pad driver	VR25022
Squeegee blade front PU	VF90146
Squeegee blade rear PU	VF90147
